Dear Mr. Zabruskie

I have yours of the 12th with enclosed \$10.
for four copies of The History of the Bison. They will
be autographed, and sent out to day.

I feel quite flattered that you have considered my
book worthy of such an appropriate binding. It
is quite a unique idea.

Your enclosed sample of buffalo leather, is one on
one. I have seen plenty of buffalo leather both
Indian and factory tanned, but none with a finish
like this, it should make a swell job.

Yes! we are well and doing fine up here in
the zoo. Come up and see our new animal "Panda"
and after that, I would be very glad to have you
drop in and see "me".

Yours very truly
M. S. Garretson
